

CACME Buzz - Monthly eNews

Annual Conference

CACME's **Annual Conference** will be held **Friday, July 27** in Beaver Creek at the *Charter at Beaver Creek!*

Content is still being developed and your input is welcome (see below). Currently the content will focus on incorporating the patient voice, MOC and PI education, marketing and the cost of CPD, and outcomes. Specifics will be provided soon.

CACME is trying a new format this year with the conference being held for just one day instead of a day and a half. That means that Friday will be jam-packed with great information - you don't want to miss it!

Registration cost is \$175 for the full day which includes breakfast, lunch and snacks.

There will also be a reception at the end of the day to continue conversations and networking.

Register Now!

The Charter at Beaver Creek costs \$149 plus tax. That includes free wifi and free parking. More info about the hotel including the great amenities may be found [here](#).

Book the hotel by calling 855-400-4139 (mention CACME)!

Award Nominations - Submit Now

Get Recognized for Your Work!

Make sure to nominate yourself or your colleagues in CME/CPD for their efforts! Nominations are being accepted for the following awards

1. Outstanding CME/CPD Activity
2. Outstanding CME/CPD Collaboration
3. Outstanding Research in CME/CPD
4. The Ted Lewis Lifetime Achievement Award

Send any questions you may have to conference@cacme.org.

Nominations are due by June 8th.

Network Tonight!

Denver Area Networking Social Event is Tonight!

Come and meet fellow peers in CPD from 6:00 - 7:30 at the **Corner Office** on 1401 Curtis Street. This is an excellent way to connect with people in the same industry, make new friends and learn more about what CACME is all about. We hope to see you there!

Note there is self-parking with the Curtis Hotel and get your ticket validated at the bar for free parking up to 2 hours. Valet is \$15.

What Do You Want to Know?

Help the committee plan the conference!

Instead of the "Did You Know" section this month, we want to hear from you! What do you want and need to know to make your job easier, more efficient, more productive, more compliant - any burning question!

Please think about what could benefit you and email the planning committee via conference@cacme.org by June 1st.

Meet the CACME Leadership: Jacqueline Lowe, Membership Chair

I have been involved in healthcare since I started my career and have been in the medical staff services arena, at UCHHealth Northern Colorado, for 18 years.

I took over our CME program just as preparations for our initial survey was due in 2015 and immediately joined CACME. I knew I had lots to learn quickly and was so appreciative of the instant support, and resources provided to me by stellar colleagues. I decided that I had to be part of this professional organization that promotes and supports growth and development for novices and seasoned CME professionals.

I started as membership chair in 2016 and my goal is to increase networking opportunities in person and via our website. Our members have a wealth of knowledge and serving spirits.

Spread the word to your *“Not-Yet-CACME member”* colleagues and keep watch for more information about our upcoming Membership Campaign!
